

AIS in Mobile

- The Income Tax Department has launched a app “AIS for Tax Payer” to make it easier for taxpayer to access their information as made available in the “Annual Information Statement” (AIS) or “ Taxpayer Information Summary” (TIS) at the Income Tax Portal.
- This app can be downloaded from Google Play as well as the Apple App Store.
- The app will enable you to verify the information which is reported against your PAN as and when updated at Income Tax Portal pertaining to TDS / TCS, Interest Income, Dividend Income, transactions in shares & Mutual Funds, Investments in FD / RD, Tax payments, Income Tax refunds and other information such as Data as per GST, Foreign remittances, etc.
- You can easily verify the details from the app and also provide feedback for the transactions reported such as “ Information is correct”, “Information is incorrect”, “Information relates to other PAN”, etc.

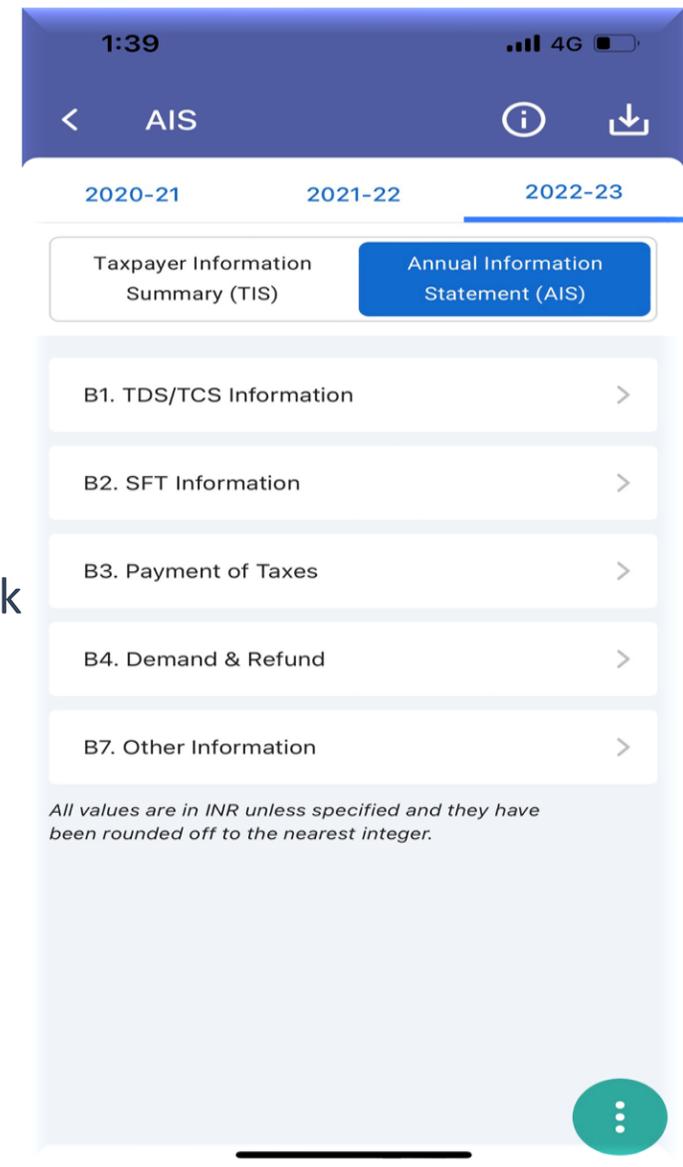

Steps to Download & Register

- Go to the Google Play Store or App store and download the app “AIS for Tax Payer”.
- Register yourself using your PAN and Date of Birth / Incorporation / Formation.
- Then enter the primary Email ID & Mobile number registered at the Income Tax Portal and authenticate using OTP sent separately on Email & Mobile.
- Once this authentication is complete, you are required to complete the registration by updating a 4-digit PIN which will be required to use the mobile app.
- Once the setup is complete, you can then access the app using the MPIN set by you.

How to access data

- Login to the app using your MPIN.
- Click on the tab named “Annual Information System”
- Click on AIS or TIS as per your requirement.
- Select the Financial Year for which you wish to view the data.
- The information will then be displayed on your screen.
- You can then click on each transaction, view them and also provide feedback
- The options available are :
 - Information is correct
 - Income is not taxable
 - Information is not fully correct
 - Information relates to other PAN / Year
 - Information is duplicate / included in other information
 - Information is denied
- Further information can be provided after selecting the relevant option.
- This will now enable you to verify and update your information at anytime and from anywhere.
